# WHALES

# Whale Watch & Dolphin Adventure

*Kona's Premier Whale and Dolphin  
Excursion by the  
Sealife Specialists*

"We  
guarantee  
WHALE  
sightings or  
come again  
FREE"

During this special time of year December - April, Humpback Whales come to mate and give birth in the calm waters of Kona. There is no better way to see them than with Kona's year round marine mammal excursion experts either aboard the custom 46ft power catamaran "Makai" or the 70ft "Spirit of Kona."

**Board for a 2.5-hour journey of discovery and adventure**  
Relax on the upper deck or the main deck in fully shaded comfort as you cruise the scenic Kona Coast. Shore spotters will guide the Spirit to the best Whale viewing areas. Our naturalist and crew will entertain you with historical facts and information on the many points of interest along the way and the animals encountered. Have your camera ready for your first whale encounter as you watch these amazing animals up close. Some of the activities you may see are breaching, spy hopping, pectoral fin slapping, tail slapping, mating behavior and mothers caring for their young. Listen to the whale songs produced by these majestic mammals through our underwater hydrophone.

Be sure to watch for the local spinner dolphins that are regular companions on most of our trips.

**Guaranteed Humpback Whale sightings or return again free.**

*Complimentary sodas, coffee and water and a light party mix snack.  
Limited cash bar throughout the tour. includes Beer, Wine & Well drinks.*

*Operates everyday at NOON during Humpback Season  
Departing from Kailua Kona Pier.*

# MANTAS

## *Manta Watch* Glass Bottom Cruise

*No need to get wet!*

Watch the Giant Kona Manta Rays perform an underwater ballet while you stay dry, safe, cozy and comfortable on the decks of the glass bottom boat, Spirit of Kona. High intensity lights illuminate the underwater scene. Watch through the large glass bottom windows as the giant manta ray enters and feeds on the plankton forming near the lights under the boat. Seen up close and just inches from the glass, the experience is fabulous. Snap photographs and video to take home to share with your family and friends, and do it all while enjoying your favorite cocktail or soft drink.

Until the introduction of the Spirit of Kona, with its large glass bottom windows, the only way to see the Giant Kona Manta Ray was to get into a cold black ocean at night in scuba or snorkel gear. View responsibly without all the risk to the reef and the life that need it to live.

**Manta sightings guaranteed or come again free!**

Soft beverages and water plus a light bar snack mix is included. Beer, Wine, Well drinks, food and souvenir items are available for purchase.

*Operates Tuesday and Thursday*  
*Departs 7:30PM Oct 1st - Mar 31st*  
*8:00PM Apr 1st - Sept 31st*
